CSR

At the conclusion of my first Annual Report as President of the University of Windsor, I made the following general observations: "Universities differ one from another almost as much as individuals do, partly because of the accidents of history and of the part which staff, students and alumni play in the building of unique traditions. The University of Windsor has attracted much attention in the past two years by reason of its very unusual evolution. Inevitably, now that it has emerged as a non-denominational institution, under its charter of 1963, it will begin to move in directions perhaps only dimly apparent a few years ago. Through its federated and affiliated institutions it continues to draw strong and essential support from those who cherish the Christian contribution to the liberal arts. At the same time, through the availability of much increased provincial support, the university is now able to expand its work in the professional areas and in post-graduate studies, with every prospect that it will rapidly complete the full transition, now under way for some years, from the status of a liberal arts college to that of a fully diversified university."

In the light of this statement you will understand why I believe that students at the University of Windsor during the year 1965-1966 have been privileged to take part in a stimulating and important educational development. I know from the comments of many of our students that they have been aware of that fact, and that they have enjoyed the experience. They have been surprised and pleased, as I have been, by the striking change in the campus within the space of a few months, following the addition of several new buildings and the completion of the fine landscaping between them. We are beginning to get our first glimpse of the University of Windsor of the future.

I should like to extend congratulations and best wishes to those students who have completed their courses and who now join the ranks of our alumni, and I express the hope that we will be able to welcome back all of our other undergraduates, next September.

  
J. F. Leddy  
President

# THE UNIVERSITY

A place where energies and abilities are combined for the good of all.

A place to meet and exchange ideas.

A place where tradition blends with the contemporary.

A place where people and buildings grow.

and its many

an urgency to get places and get there fast. Don't stop us world. Here we come. yet all is not geared so fast. time to digest a few paragraphs while walking alone.

a moment to find out who's flunking English 15 or dropping Math 222

## faces

a cigarette, friends, and a moment  
to forget about that lab report.

time to pause and find yourself.

or maybe just time to pause and let  
the task of living cease for awhile.

a muffled laugh, something perceived  
and enjoyed—just for the moment

happy people, yet not always in  
groups—often alone

some content to proceed slowly;  
seeing, hearing, and doing in a  
cautious manner—afraid to miss  
one moment of happiness.

others wanting to move constantly.  
new people, new experiences, too  
much to waste time on anything.

some with a purpose, others still  
looking for one.

some individuals, others lost in  
a sea of faces, protected by their  
anonymity.

## CAN-AM SEMINAR

Dr. H. G. Johnson, U. of Chicago; Rev. F. J. Boland, C.S.B., Ph.D., Director of Seminar; Dr. J. Ross Tolmie, Q.C.; Chairman, Advisory Board.

Barry Walker, U. of W., chats with other delegates at the seminar.

In early November the annual Canadian-American Student Seminar was held on campus. Among the speakers were Barry Bluestone, U. of Michigan who stressed the need for totally free, universal, higher education, and James Dandy of the University of Detroit who presented cooperative education as an alternative to the present system. George Richards, U. of W., stressed the high costs involved in increasing aid to Canadian universities.

Hi! Bob Sonier for KLEENEX here.

Aren't these chartreuse socks the wildest.

Yeh, Ray, maybe we should get a doctor.

This Honours Bowling course is beyond me.

Fidel, these Cuban parties have got to be the wildest yet!

So you see, fellas, Plato really did make a significant contribution to society.

Get back, you fiend! I'm allergic to submarine sandwiches and pizza.

CREST really has changed my life and times.

What do you mean you can't whistle Dixie?

Hi doll! I'm here to set your world on fire.

We can also do the mambo, fox-trot, tango, frug, swim, and monkey.

Then I told her I was married.

organizations

Ladies and Gentlemen:

By this time we have settled ourselves and are now ready to meet the challenges of the oncoming school year. If one is to squeeze as much as possible from his brief stay at the University of Windsor, these challenges—academic, social, spiritual, cultural and emotional, which exist in every phase of our University experience, must be met with maximum vigor and courage, analyzed intelligently, objectively and maturely and pursued tenaciously. Only after wrestling with these challenges can one emerge from our school with a genuine feeling of fulfilment and satisfaction.

Apart from the obligation we have to ourselves, we also have an obligation to every other student. We must convey to the people on the "outside", the unique and dynamic features found only in our University. We attend The Canadian University best equipped to give us an unsurpassed modern education. The strength of this education (our education) depends on how and to what extent it is demonstrated. Everywhere we go the interpretation of our actions will be applied not only to ourselves, but to every other student of the University of Windsor. This obligation is one we should never neglect.

Very Sincerely,

Jon Fell, President,  
Students' Administrative Council.

## STUDENT'S ADMINISTRATIVE COUNCIL

S. Watson, B. Haran, S. Murphy, M. Frankie, K. Walsh, P. Searles, N. Barsanti, S. Morgan, M. St. Aubin, A. Thurlow, G. Bedford.

The U.C.W. is a body representing all women on campus. Its main purpose is to co-ordinate activities for women throughout the year. Among the events sponsored by them are the Sadie Hawkins, the February Round-About, as well as the Children's Christmas Party, and the Careers Night.

## ITALIAN CLUB

The Italian Club enjoys the status of being one of the fastest growing organizations on campus. Under the guidance of a capable and ambitious executive, the club presents a well-rounded schedule of activities each year. One of their best known events is their annual Italian night which recreates the flavour and gaiety of the old country.

Although fluency in the Italian language is not a prerequisite, the members soon pick up a very substantial knowledge of the culture and language of Italy.

## CANADIAN UNION OF STUDENTS

This year a local C.U.S. committee was established to administer national, regional, and local projects. This committee consisted of a Chairman, Travel Director, Education Director, Publicity Director, Treasurer, Secretary, Faculty Representatives, and Men's and Women's Residence Council Representatives. The positions of Vice-Chairman and International Education Co-ordinator are to be added next year.

The projects undertaken by this year's Committee were: securing student tutors for the Community Services; establishing a program for high school Visitations; setting up a booth and panel discussion on financing of higher education, sponsoring a blood drive, C.U.S. life insurance plan, and C.U.S. flight to Europe; representation on the Committee on Student Discipline and Commission on Student Government; attending Graduate, Undergraduate and C.U.S.O. meetings; representation at two conferences of

the Ontario Region of the Canadian Union of Students; and C.U.S. T.V. and radio announcements on financing of higher education.

Nationally, C.U.S. priorities for the year were Financial Means survey; Education Action program; National Student Day; C.U.S.-U.G.E.Q. relations; Indian Affairs; Student Government Research Service; Representation to Governments — voting age, loan scheme, external affairs, Bureau of Graduate Studies, Immigration Department, Housing Act, Capital Punishment, Birth Control, and Federal Grants to Provinces.

As well, C.U.S. was concerned with International Student Conference and International Union of Students; International Affairs; Athletics; Interregional Scholarship Exchange Plan, Student Services — discounts, insurance, etc.; and Technological Institutes.

## FILM SOCIETY

G. Gauvreau, President.

The Film Society is one of the few clubs on campus this year to show an active profit, drawing crowds of over 600 to view their monthly showings. The hard working executive have instituted an active publicity campaign with numerous pamphlets and discussions given by leading professors on the campus. The membership is one of the largest in current years with approximately 200 students. A unique feature of the club this year, scheduled to become an annual event, was the presentation of a Film Festival with a showing of 4 films from the French School of theatre. These films were: La Peau Douce, La Femme Mariee, Les Quatre-Cents Coups, and Jules et Jim.

Executive: A. Lozynsky, P. Boschetto, G. Gauvreau, J. Taliano, C. Hindmarsh, B. Butler.

This year under the capable leadership of Mr. Dick Moriarity and Bruce White the Men's Athletic Council has shown a marked improvement in the organization and controlling of intra-mural and intercollegiate sports. Indicative of this improvement is the fact that there are now two commissioners for almost every sport offered, and at least one representative from each faculty on the Council. The total membership of the Council is now 39, and increasing every year. The growth of the Athletic Council

parallels the growth of our university; both are growing in numbers as they are growing in strength.

The pride of the Council is the Doctor Perry Memorial Trophy which is awarded to the faculty with the most athletic competition points gained during the year. This trophy is symbolic of the great esteem in which athletics is held in the minds of both the students and the faculty. The Men's Athletic Council considers the rendering of this trophy the highest honor it can bestow upon the worthy faculty.

**MR. BOB SAMARAS**

The man who makes the Lancers go. Since his arrival as head coach, Mr. Samaras has brought four O-Q.A.A. conference championships, and two national championships to this university. These achievements only prove what a great man and fine coach Bob Samaras is.

**MR. ED CHITTARO**

As coach of the Crusaders Mr. Chittaro has the job of developing the future Lancers. We believe he has done his job very well.

Here are some of the Lancers in practice under the watchful eye of Coach Samaras.

Note the intent expressions on the faces of some of the Lancers.

The Captain's Meeting before the Waterloo game.

This signals the end of practice and the beginning of the real thing.

Every teacher wishes for  
such undivided attention.

Here we find "student"

ing his "homework".

Now the rest of the Lancers show their stuff.

Here, Marty hits for two.

Dave McWha at the line.

But the Lancers can also play defense, as is being shown by Tom Elliott.

THE FAMILY STORE WITH THE GOLDEN RULE POLICY

It's funny how a little piece of paper can put you  
in a whole new world

Getting your driver's license makes the whole world a brighter place to live in.

You can *move*.

Without pestering Mom or Dad to drive you.

Without depending on anybody else.

But now a lot of other people are suddenly depending on you.

Not for rides (although you like the feeling when you give somebody a lift).

But for their lives. And their property.

So don't take chances. Don't try to prove anything when you drive—except that you are qualified to do it.

In every way.

## The Eastern Concept

We recognize that owners, architects and engineers want early occupancy and quality construction at lowest cost. For this reason we employ top-notch engineers, superintendents, and tradesmen . . . with a long background of experience . . . and with the ability to measure quality and to expedite. We operate a large fleet of equipment to cut costs and to ensure early delivery. It is this concept that is responsible for our growing list of new and repeat clients. Before you build, be sure to investigate our record. Write Eastern Construction Company Limited, Box 96, Walkerville, or Box 504, Station F, Toronto 5, Ontario, Canada.

### GM Leadership Starts With McKinnon

The only way to get to see the McKinnon-built part of a GM car is by lifting the hood — or crawling underneath. That way you can inspect the engine, transmission, propeller shaft, differential and rear axle to your heart's content. Most people are satisfied to know that these very important items are all there and functioning smoothly in Canada's most popular cars. And as long as most people are satisfied, then we at McKinnon are satisfied too. You don't see what we build very often — but even the best cars (GM cars) wouldn't get very far without it! Gives us a warm feeling, knowing that we're needed. Have been since 1878, in fact.

# UNIVERSITY OF WINDSOR

WINDSOR, ONTARIO

February 12th, 1966

Fellow students,

To-day marks the completion of another edition of the Ambassador Yearbook. It is the result of six months preparation, planning, and in general, hard work.

As you are well aware, this year's Ambassador has undergone several changes in format and content. Among these are the deletion of the undergraduate section, a more extensive coverage of organizations, deletion of the padded cover in favor of a more deeply embossed grain, and the addition of a more extensive introduction to the body of the book.

A good number of these changes have been met with mixed reactions. I assure you that none of these changes were made without consulting the opinion of others. None of them were implemented merely for the sake of change itself. Too many editors, in striving to create something really new and different in the field of yearbooks, produce a book which soon serves as little more than a shelf-filler. We have attempted to avoid this pitfall.

A very special thankyou to our small, but competent staff. As well, we are grateful to Ray Look Kan for his excellent contributions, advice, and suggestions. But most of all, we are grateful to you, the students, for your patience while we rushed desperately to meet our deadlines.

We hope you enjoy your copy of the 1966 Ambassador and will enjoy it in the years to follow.

Sincerely,

*Leo Connor*
